

# INTRODUCTION

Who  
we  
are

## Kadiyam Components LLP

We are a Manufacturer of Plastic Injection molded components for Automotive, Home Appliances, Electronic, Pharma, Agricultural applications. We are specialized in producing customized plastic & TPU products and its related assemblies.

## Quality Policy:

Kadiyam Components LLP is committed to manufacture and deliver Quality products efficiently, in a professional & flexible environment, on time with scientific cost, by practicing quality management system with continual improvement and customer satisfaction, in compliance with all statutory and regulatory requirements to become a world-class organization. Our endeavour is to be the preferred source to our customers.

# VISION & MISSION

## VISION:

We shall be a customer-centric company consistently delivering world-class quality of products to become a leading player in the manufacturing of plastic domains for Automotive, Home appliances, Electronics and Agricultural industries under domestic and international markets.

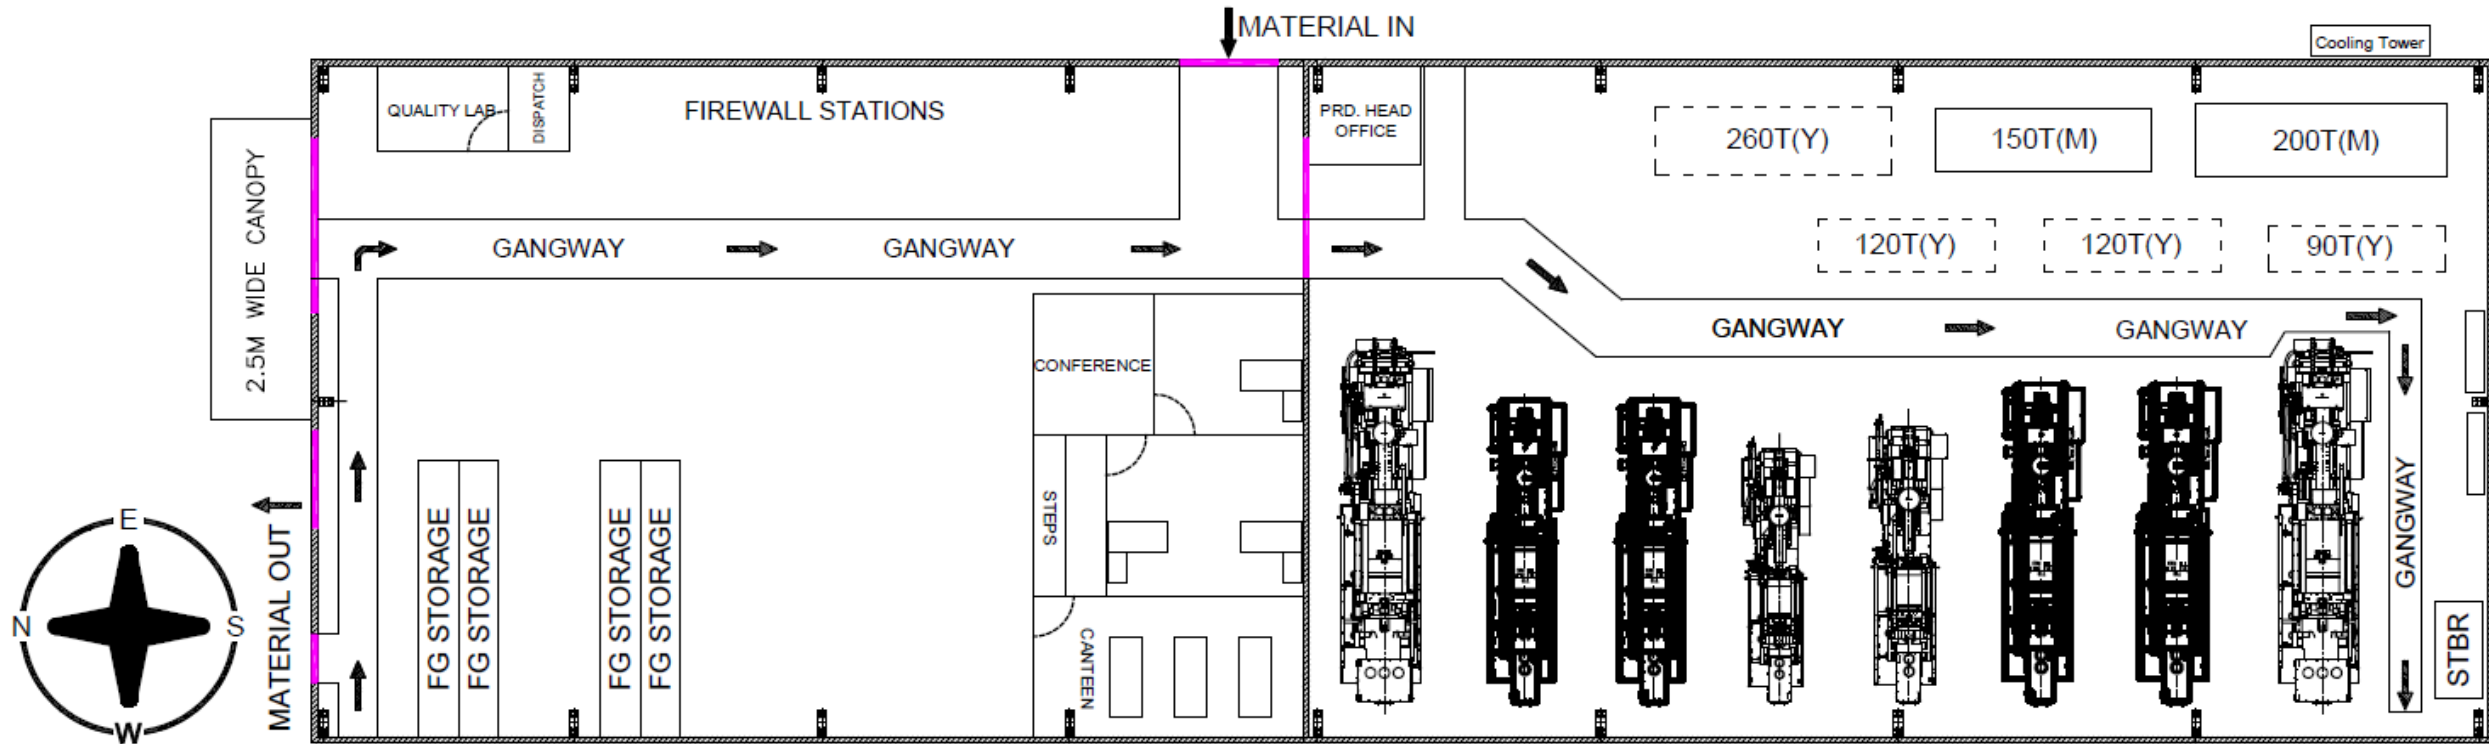

## MISSION:

To exceed our customer expectation in quality, delivery and cost, through continual improvement & customer interaction.
